Is there a status update as to when we can expect to receive the group's comments on the AOC?

Lauren,

The PRPs are close to having a response to EPA on the last draft AOC, but Frank Pavia is not able to meet with his client until Monday night and we are trying to accommodate the decision-making processes required of his client and the other public parties. It is our expectation to get you a revised AOC next week that we are hopeful will be supported by all of the PRPs. I understand that SOW comments have been submitted to EPA and a technical meeting to discuss those comments and PDI work has been scheduled for August 5<sup>th</sup> in Syracuse.

David
